FROM: KEN A. MILLER, Director
Department of Public Works - **Transportation**

**SUBJECT: CONTRACT WITH WILLIAM KANAYAN CONSTRUCTION FOR THE OVERLAY
OF VARIOUS ROADS IN THE LAKE ARROWHEAD AREA**

RECOMMENDATION: (1) Award a contract to William Kanayan Construction of Rim Forest in the amount of \$198,236 for the overlay of various roadways in the Lake Arrowhead area; (2) Authorize a contingency fund in the amount of \$19,823 and authorize the Director of Public Works to execute necessary changes in the contract, and; (3) Authorize the Director of Public Works to execute the Notice of Completion after acceptance of the work.

BACKGROUND INFORMATION: The existing asphalt concrete paving along various roadways in the Lake Arrowhead area has deteriorated and is in need of rehabilitation. Accordingly, the Department prepared plans and specifications for a project to crack seal and place asphalt concrete pavement overlays on these roads.

On May 13, 2003, the Board approved the plans and specifications and authorized advertising for bids for this project. Seven bid proposals were received on July 24, 2003, ranging from \$198,236 to \$309,901. The lowest bid was by William Kanayan Construction at \$198,236, followed by A P Engineering Corporation at \$234,124 and Palm Canyon Contractors, Inc. at \$241,805. The engineer's estimate was \$198,304. The Department has reviewed the proposals received and determined that they are responsive. Public Contract Code Section 20128 requires the Board to award the contract to the lowest responsible bidder and Section 20142 allows the Board to authorize the Director of Public Works to order changes in construction contracts. Following Board approval, construction on the project should commence by the end of September and be completed by the end of October 2003.

REVIEW BY OTHERS: This item was reviewed by Deputy County Counsel Charles S. Scolastico on August 22, 2003 and by the County Administrative Office (Tom Forster, Administrative Analyst) on August 28, 2003.

FINANCIAL IMPACT: The cost of this contract is \$198,236. Appropriations for this contract are included in the Fiscal Year 2003/2004 Transportation budget and will be financed by AB2928 funds (SAA-TRA-TRA-15HA0076).

COST REDUCTION REVIEW: The County Administrative Office has reviewed this agenda item and concurs with the Department's recommendation based on the need for these improvements in order to maintain that integrity of various roads in the Lake Arrowhead area. Also, these road repairs will be financed through dedicated AB2928 funds therefore, this item has no impact on the County General fund.
